PRIVACY ACT/PAPERWORK REDUCTION ACT STATEMENT

The Office of Surface Mining Reclamation and Enforcement (OSMRE) is authorized to ensure and certify that all blasting operations are conducted by trained and competent persons under sections 515(b)(15)(D) and 719 of the Surface Mining Control and Reclamation Act of 1977. The information you put on this form is necessary to see how well your education and work skills qualify you for the position of certified blaster. You will not be considered for certification if you do not answer these questions. Response to this request is required to obtain a benefit. You are not required to respond to this collection of information unless it displays a currently valid OMB control number.

We must have your Social Security Number (SSN) to keep your records correct, since other people may have the same birth date and name. The SSN has been used to keep records since 1943 when Executive Order 9397 asked agencies to do so. OSMRE may also use your SSN to make requests about you from employers, schools, or from any other source you provide on this form, but only as allowed by law. The information collected by using your SSN will be used only to check the validity of the answers on this application and will not be used for any studies or statistical purposes.

Information we have about you may also be given to Federal, State, and local agencies for checking on violations or for other lawful purposes.

Public reporting burden for this form is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of this form to the Information Collection Clearance Officer, OSMRE, 1849 C. Street, NW, Room 4556 MIB, Washington, DC 20240.
