

COALEX STATE INQUIRY REPORT - 23

October 10, 1984

Pete Pitsenbarger
Chief, Division of Reclamation
Department of Natural Resources
1800 Washington Street, Room 322
Charleston, West Virginia 25305

TOPIC: SUBSIDENCE REGULATIONS

INQUIRY: Requested latest rules and regulations on subsidence, and if there was any pending decisions or court action.

SEARCH RESULTS:

After checking inhouse files, a copy of Judge Flannery's decision (ROUND II, which included regulations on subsidence) was mailed to Mr. Pitsenbarger. He was asked to review the Flannery ruling and if further data was needed, to give specific instructions for a COALEX search. A follow-up telephone call was made on October 12. Mr. Pitsenbarger stated the ROUND II documents were sufficient and a search was not needed at the present.
