

**COALEX STATE INQUIRY REPORT - 81**  
**April 30, 1987**

Roger Hall  
West Virginia Department of Energy  
1615 Washington Street, East  
Charleston, West Virginia 25311

**TOPIC: COAL EXPLORATION**

**INQUIRY:** Please identify the Federal Register notices which pertain to the criteria used for approving coal exploration permits of 250 tons or more.

**SEARCH RESULTS:** A COALEX search of the Federal Register library located the pertinent documents, which are listed below. The information was forwarded to Mr. Hall.
