What are the rules before this happens, and exactly who is Mr Cheek, or any of the rest of them. Did we take an application? Are they just carrying information from the public? Proprietary information cannot be shared or discussed in any way.

Just curious. What does our County Attorney say? What does our special attorney say?

Lou

Subject: Meeting Room for Host Agreement Team

To: <lonzo.lester@russellcountyva.us>

Good afternoon, Mr. Lester,

Nathan Kiser called and requested that we try to conduct an initial Host Agreement Citizens Advisory Team meeting as quickly as possible.

In talking about a location as we want a room with a white board he suggested that I contact you to see what type of meeting rooms would be available. There are only 3 on the team, but the feedback from them so far is that it must be after 5 pm.

What do you suggest, given that it must be after 5 pm, no specific date set yet as not all have responded.

Thank you,

Dave Cheek
